5 - 7 octobre • Laban Event 6° edition

Laban Event 2018 reflects on the founders of Ausdruckstanz and Tanztheater with the gaze of those who lived part of their artistic life alongside the masters. This relationship of growth and succession is what allows to a living tradition of evolving and adapting to changing times.

conferences - performance - presentations - workshops

Where it all started 105 years ago, on Monte Verità, peace and friendship among human beings through the art of dance.
