A black and white photograph of a group of people in a rehearsal space. A woman in a black tank top and dark pants is in the center, gesturing with her hands. Several men are leaning in towards her, looking intently. To the right, a group of women are also looking towards the center, some with their hands near their faces as if in conversation or observation. The background consists of dark curtains and stage lights.

Sono benvenuti tutti coloro che desiderano
avvicinarsi al teatro
con entusiasmo e curiosità.
